

## Snow Shoe and Clues Family Nature Event

**Date:** February 4th, 2012

**Location:** Heart Lake Conservation Area

**Watershed:** Etobicoke Creek

**Region:** Peel

**Municipality:** Brampton

**Partners:** TRCA, Region of Peel, Local Residents

A group of 24 participants attended the Snow Shoes & Clues Family Nature Event at Heart Lake Conservation Area. TRCA staff led the group on an interactive hike through the trails at Heart Lake Conservation Area and participants learned about natural wildlife that inhabit the area, how to identify wildlife tracks and techniques these wildlife use to survive the cold winters. These educational events allow community members to gain awareness of green spaces and wildlife inhabiting these areas.
