## John Cabot Catholic SS Planting

**Date:** May 18, 2012

**Location:** Etobicoke Creek Trail at Eglinton Ave.

**Watershed:** Etobicoke Creek

**Region:** Peel

**Municipality:** Mississauga

**Partners:** TRCA, City of Mississauga, Region of Peel, John Cabot Catholic Secondary School

A group of 20 enthusiastic students from the John Cabot Catholic SS “Green Team” participated in this planting event. Students planted 200 native trees and shrubs along the riparian zone of the Etobicoke Creek. This vegetation provides a natural filtration along the creek to help prevent pollutants from entering the water. Providing additional green space will assist with future carbon emission reduction.
