

2012 Accomplishments

County Court SNAP Green Home Makeover Neighbourhood Open house and Street party

Date: May 26, 2012

Location: County Court Neighbourhood

Watershed: Etobicoke Creek

Region: Peel

Municipality: Brampton

Partners: TRCA, Region of Peel, City of Brampton, Reliance Home Comfort, Sears Canada, Greensavers, Enbridge, Hydro One Brampton

The Green Home Makeover is a key demonstration project of the County Court Sustainable Neighbourhood Retrofit Action Plan (SNAP). It is led by the TRCA in partnership with private sector sponsors, utilities, municipal partners, and water, energy, landscape and green building industry associations. Approximately 125 residents from the neighbourhood came out to take tours of the house, speak with project partners and suppliers to learn more about retrofitting their home green, and what incentives are available as part of the County Court SNAP project.

Type of Event	# of participants that took a house tour	Total Participants
Green Home Demonstration	40	125
