Valleybrook Tuesdays on the Trail Nature Walks

Date: Jun 5, Jul 2, Aug 7, Oct 2, 2012

Location: Valleybrook and Wexford Park

Watershed: Etobicoke Creek

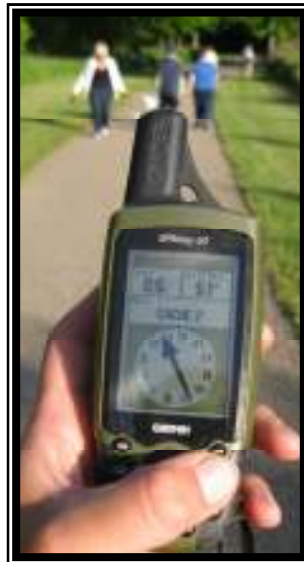

Region: Peel

Municipality: Brampton

Partners: TRCA, Region of Peel, City of Brampton, Ontario Trillium Foundation, Valleybrook Residents

Local residents of all ages attended our Tuesdays on the Trail nature walk series along the Etobicoke Creek Trail in 2012. Each nature walk lasted an hour, with topics ranging from geocaching, well-being in nature, bike hikes and fall photography. This is the third summer we've delivered these nature walks, with regular participants now attending. Each walk is a fun activity allowing people the opportunity to observe natural surroundings and wildlife off the beaten path.
