## Great Canadian Shoreline Cleanup Marie Curtis Park

**Date:** September 22, 2012

**Location:** Marie Curtis Park

**Watershed:** Etobicoke Creek

**Region:** Toronto

**Municipality:** Toronto

**Partners:** TRCA, City of Toronto, Great Canadian Shoreline Cleanup, Community Residents

Local Residents came to Marie Curtis Park to take part in the largest community clean-up event in Canada — The Great Canadian Shoreline Cleanup. This enthusiastic group collected multiple bags of garbage and recycling along the edge of the creek close to Lake Ontario. This debris poses threats to both wildlife and water quality. Stewardship initiatives such as this help reduce contaminants and pollutants entering the creeks and rivers.
