

2012 Accomplishments

Dixie Derry, TD Planting

Date: September 29, 2012

Location: Dixie and Derry Road

Watershed: Etobicoke Creek

Region: Toronto

Municipality: Mississauga

Partners: TRCA, Region of Peel, City of Mississauga, TD Bank Employees

An enthusiastic group of TD Bank employees and community groups came out to participate in a planting at our Dixie and Derry Restoration site. The group planted 1,200 native trees and shrubs to enhance green space and provide wildlife habitat. This area showed a significant amount of illegal dumping and several participants pitched in to collect the garbage and stack it for pick-up by City of Mississauga waste collection. Some items collected include: 43 tires, bed mattress, used engine oil and a bathroom sink.
