

# Hoot and Howl Family Nature Event

**Date:** February 20, 2010

**Location:** Heart Lake Conservation Area  
**Region:** Peel    **Municipality:** Brampton  
**Partners:** TRCA, Region of Peel, Local Residents

**Watershed:** Etobicoke Creek

A group of 35 people braved the winter elements for a night of fun and adventure to learn more about the local native owls and coyotes. Staff delivered an indoor educational presentation and then led the group on a hike through the local trails and “called out” to these wonderful wildlife critters hoping to have them respond.
