

Valleywood Community Planting

Date: April 24, 2010

Location: Etobicoke Creek Valley - Community of Valleywood

Watershed: Etobicoke

Creek Region: Peel

Municipality: Caledon

Partners: TRCA, Region of Peel, Town of Caledon, Local Residents

A group of 25 volunteers from the Valleywood community came out to clean up their neighbourhood and participate in a planting event. Volunteers planted a total of 150 native trees and shrubs to help enhance the local habitat and riparian areas along the Etobicoke Creek Headwaters. This enthusiastic group also participated in clean-up activities to remove litter and debris collected over the winter in an effort to protect and enhance habitat for wildlife.
