

Peel Wide Stewardship Day

Date: April 30, 2010 **Location:** Heart Lake Conservation Area **Watershed:** Etobicoke Creek
Region: Peel **Municipality:** Brampton
Partners: TRCA, Peel Region, City of Brampton, Eco-Source, Local Schools

An enthusiastic group of local high school students spent the day at Heart Lake Conservation Area assisting in planting 600 native trees and shrubs. Students also participated in other stewardship activities during the event to help raise environmental awareness and understanding of the local natural environment including learning about traditional Aboriginal culture, water quality and interpretive nature hikes.
