

Great Canadian Shoreline Cleanup Event at Loafer's Lake

Date: September 25, 2010 **Location:** Loafer's Lake to Williams Parkway **Watershed:** Etobicoke Creek

Region: Peel **Municipality:** Brampton

Partners: TRCA, Region Of Peel, City of Brampton, Ontario Trillium Foundation, Great Canadian Shoreline Cleanup, Local Residents

As part of the Great Canadian Shoreline Cleanup, residents helped clean up garbage and debris from the Etobicoke Creek from Loafers Lake Recreation Centre to Williams Parkway. The volunteers collected 16 bags of litter and multiple large items from the site. This stewardship activity contributes to the ongoing efforts in protecting water quality, wildlife habitat and diversity by removing harmful pollutants to sensitive water systems.
