Dragonboat Festival

Date: September 14, 2013
Location: Heart Lake Conservation Area
Watershed: Etobicoke Creek
Region: Peel
Municipality: Brampton
Partners: TRCA, Living City Foundation, Region of Peel

Members from local businesses (Pratt & Whitney Canada, Remax, SNC - Lavalin) local residents and staff from the TRCA formed teams to participate in the first annual Dragonboat Festival at Heart Lake CA. The participants had fun filled day on the water working in sync with their teammates to paddle towards a common goal. All the participants helped raise funds for the Living City Foundation which will be used to support much needed environmental restoration and stewardship projects on the Etobicoke Creek watershed.
