## Family Fish Day, Heart Lake

**Date:** July 6, 2013

**Location:** Heart Lake CA

**Watershed:** Etobicoke Creek

**Region:** Peel

**Municipality:** Brampton

**Partners:** TRCA, Region of Peel, Toronto Sportsman Show

A large group of amateur anglers of all ages came out to Heart Lake for the annual Family Fish Day event. The group were advised on fishing rules and regulations, how to effectively attach hooks and proper fish handling. With rods and reels in hand, they lined the shore of Heart Lake to begin the derby. The largest fish caught during the event was 9.5" long Largemouth bass and the smallest was 3" long Pumpkinseed. Prizes were given for the top 10 largest fish and 3 smallest fish caught during the event.
