

2013 Accomplishments

Great Canadian Shoreline Cleanup, Heart Lake Rd

Date: September 28, 2013

Location: Heart Lake Road

Watershed: Etobicoke Creek

Region: Peel

Municipality: Brampton

Partners: TRCA, Region of Peel, Brampton Scouts, Community Residents

A group of 20 community residents and members of Brampton Boy Scouts came to Heart Lake Road to participate in the 20th Anniversary, Great Canadian Shoreline Cleanup. This national event helps remove garbage and debris from sensitive waterways. Heart Lake Rd bisects a Provincially Significant Wetland and this group removed several bags of garbage and larger items such as tires, construction debris and metals. These items pose serious threats to water quality, humans and wildlife.

Positive Environmental Impacts

Garbage Collected	Volunteers	Volunteer Hrs
18 Lg bags, 12 Tires, Steel Construction Debris, Household waste, etc..	20	60
1,100 lbs	20	60
