Kings Park

Community Planting

Date: October 19, 2013

Location: Kings Park

Watershed: Etobicoke Creek

Region: Peel

Municipality: Mississauga

Partners: TRCA, Region of Peel, Evergreen, local residents

TRCA and Evergreen partnered to deliver a community planting at Kings Park in the Etobicoke Creek Watershed. Enthusiastic volunteers planted 175 native trees and shrubs to enhance an existing naturalized area. This area has extensive illegal dumping and the group also collected 12 large garbage bags of trash. These stewardship activities help prevent contaminants and pollutants from entering the creek which pose threats to both humans and wildlife.
