

2014 Accomplishments

Upper Mimico Creek Planting with Goreway Power Station & Brampton Royals Baseball Team

Date: May 6, 2014

Location: Upper Mimico Creek

Watershed: Mimico Creek

Region: Peel

Municipality: Brampton

Partners: TRCA, Region of Peel, Goreway Power Station, Brampton Royals Baseball Team

Goreway Power Station hosted the Brampton Royals Baseball team and coaches for their annual planting event. This mighty group of ~30 comes out each year to plant native trees and shrubs to enhance Mimico Creek. The participants, bring stewardship to a very positive level with their enthusiasm, attention to planting quality and clean-up efforts. This area is part of a long-term restoration project to enhance natural spaces, improve water quality and provide habitat for wildlife.

Environmental Impacts

Vegetation Planted	Pieces Planted	Sq.m. Area Enhanced	Garbage Collected	Volunteers	Volunteer Hrs
Shrubs	150	225	12 Bags	27	80
Total	150	225	~350 lbs	27	80
