

PPG Corporate Planting, Secretariat Court

Date: May 9, 2015

Location: Stormwater Management Pond accessed off of Secretariat Ct.

Watershed: Etobicoke Creek

Region: Peel

Municipality: Mississauga

Partners: TRCA, Partners In Project Green (PPG), Credit Valley Conservation (CVC), City of Mississauga, Region of Peel, Corporate Employees and Families

2015 EM Accomplishments

**Etobicoke & Mimico Creek
Watersheds**

Local corporate partners, along with their employees and families came out to the Stormwater Mgt. Pond off of Secretariat Ct. for the PPG Annual Spring Planting event. With sunny hot conditions, the participants planted 785 native trees and shrubs around the pond to enhance this important parcel of green space for the surrounding industrial area. This vegetation will provide habitat for wildlife and help buffer contaminants carried by storm water runoff. Educational stations provided a new understanding of stream health and local wildlife. The group enjoyed a barbecue lunch after the event. These stewardship activities allow a better understanding of natural spaces and provided the volunteers with an understanding of the importance of a healthy diverse ecosystem.

Positive Environmental Impacts

Vegetation Planted	# of Pieces Planted	Total Area Enhanced sq.m.	Volunteers	Volunteer Hrs
Trees	160	400	~375	~1,125
Shrubs	625	940		
Total	785	~1340	~375	~1,125
